

SCHOOLS AND COLLEGES

SOUTHERN CHIVALRY and MILITARY TRAINING

combined with thorough academic instruction in the historic Southland. These schools have attained a nation-wide reputation.

MESSAGE FROM DR. EDWIN C. BROOME

Young people who are drifting along without taking advantage to prepare themselves for the future are making a serious mistake. My advice to every boy or girl is to take advantage of all possible opportunities to extend their education. A few hundred dollars expended now will produce the finest dividends in the future of any investment that could be made.
